Does This Look Like Fun?

Why not get involved?

RLT has two opportunities to get involved in our one-act plays; once in the fall, and once again in the spring.

There are many volunteer possibilities involved in a one-act play. You may want to write your own. You may want to direct a play. You may want to be part of a production crew or you may want to perform in one of the plays.

Many newcomers begin their theatre "careers" by becoming involved in the one-act plays, and then moving on to participate in one of the RLT mainstage productions.

If you are interested in acting, directing or working as part of the production crew in our spring one-act plays, please contact Regina Little Theatre at rlt@sasktel.net, or phone 352.5535. For more information visit:
